

Dear \_\_\_\_\_,

On May 14 and 15, 2020, I will be participating in the 9th Annual Peoria to Memphis Corvette Drive supporting the kids of St. Jude Children's Research Hospital. While in Memphis, we explore Beale Street, tour the hospital, and visit with patients and doctors.

Since its 2012 inception, the Drive has raised more than \$1 Million to further the lifesaving work of St. Jude. In 2019 71 Corvette drivers and passengers from Peoria and Effingham raised \$255,000. We are excited to see what the Corvette community can do this year!

St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. By freely sharing discoveries, every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Thanks to generous donors like you, families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.

Please send your contribution today to help further the lifesaving mission of St. Jude: *Finding cures. Saving children.* Checks should be made payable to St. Jude Drive and mailed in the enclosed, self-addressed, stamped envelope. Thank you for helping make Danny Thomas' dream a reality that no child should die in the dawn of life!

Sincerely,

**SAMPLE LETTER**
