

Dear

On May 15 and 16, 2025, I will be participating in the 14th Annual St. Jude Corvette Drive to Memphis supporting the kids of St. Jude Children's Research Hospital.

Since its 2012 inception, the Drive has raised more than \$2.7 Million to further the lifesaving work of St. Jude. In 2024, 112 Corvette drivers and over 250 attendees from Bourbonnais, Louisville, Nashville, Peoria and St. Louis raised over a half million dollars! We are excited to see what the Corvette community can do in 2025!

St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to more than 80 percent since opening over 50 years ago. St. Jude won't stop until no child dies from cancer. Thanks to generous donations from people like you, families never receive a bill from St. Jude for treatment, travel, housing or food.

**Please send your contribution today and join our mission: *Finding cures. Saving children.*** Checks should be made payable to St. Jude Drive and mailed in the enclosed, self-addressed, stamped envelope. Thank you for helping make Danny Thomas' dream a reality that no child should die in the dawn of life!

Sincerely,
